# Provo Primary School Kindergarten Class News

**Happy New Year and welcome back!**  
I hope you all enjoyed your Christmas break and are ready to start the new Term. The children worked so hard last term and had lots of fun along the way and I am looking forward to this term being just as successful and enjoyable!

Maxwell Potter was so happy to receive his gift from Father Christmas...he has been wearing his new suit throughout the holiday and has enjoyed a night out at the Tiki Hut and lots of sunbathing!

*Thanks Jo!*

**Goodbye and Hello**

Sadly, we have had to say goodbye to Daniel Wallace this month as he is now living in the Dominican Republic. We wish him every success in his new school. However, we say a big hello to Violet Miles as we welcome her into the Kindergarten Class.

Our topic this half term will be 'People who help us' and 'Clothes' so this month we will be learning about the ways in which different people in our community help us, as well as what they wear and why they wear it. We will hopefully be welcoming some 'people who help us' into our class so the children can find out about their jobs, look at their uniforms (if they have them) and ask them questions about what they do. In Numeracy we will be continuing work on adding and subtracting as well as learning about shape, space and measures and in PSHE we will be looking at ourselves in the community, talking about special clothes that we might wear, and roleplaying people who help us. In Communication, Language and Literacy we will be reading and writing about our topic, as well as continuing to work with Jolly Phonics.

**Happy 5<sup>th</sup> Birthday to:**  
Grace Mann - 6<sup>th</sup> January  
Joshua Cameron - 18<sup>th</sup> January

Please could you collect empty yoghurt pots, kitchen/toilet rolls, plastic bottle tops and polystyrene food trays over the next few weeks...my stock is running low! Thanks

- REMINDERS...**
- Please remember to send your child to school with a sun hat every day. We do spend a lot of time outdoors so it is important they keep their faces out of the strong sunshine.
  - Please help by taking out earrings on PE days (Tues/Thurs)
  - Please bring book bags to school every day

**Please hear your child read their sounds every day.**

Thank you for supporting your child with his/her reading and sound/number work at home ... it is invaluable. Please keep up the good work!

**Parent Volunteers**

If you are a 'person who helps us in the community' and you are willing to talk about your job with the children, please come and see me to arrange a time for you to come in. Thank you.
