

Provo Primary School Kindergarten Class News

Term 1, Issue 3

November-December 2005

The Kindergarten class has had another good month despite the school being closed for nearly a week! We have been learning about food and talking about what is healthy and good for us to eat. This week we have taken advantage of our big classroom and made our own grocery store (thank you to Nicola Williams for setting this up and supplying most of the resources from the Community College lending library). The children have been taking it in turns to go shopping and pay at the cash register. It has only been set up for a day and already it is a huge success! This month we have been lucky to have the help of a few parent volunteers and the children have enjoyed exploring magnets and making Jack-o-lanterns with them.

The Kindergarten Class now has a helper!
Miss Sharon Fletcher
will be assisting us every morning and 3 afternoons per week.

To make things a lot easier and less confusing for everyone, please send your child to school wearing their PE kits on **both PE days** (Tuesdays and Thursdays). They do not need to have their uniforms to change back into.
Please make sure your child has their trainers on a Thursday as sandals or flipflops are **not safe** enough to wear for PE activities.

BIRTHDAYS!

HAPPY 5th BIRTHDAY

to:

Lucas De Boer - 10th Nov

Sebastian - 3rd Dec

Charlotte - 22nd Dec

Our Topic

This month we will be continuing work on food and combining it with the topic of 'celebrations' and how different festivals around the world are celebrated. We will be integrating this with the topic of 'colour and light' and as Christmas approaches we will be focusing on how we celebrate it. We will be looking at the traditional story of Christmas, learning songs for the Christmas play and making lots of fun things! In Numeracy we will continue to work with shape, pattern and writing numbers.

Homework

This month the children will be given a homework book. Their task will be to draw or cut and stick pictures beginning with a given sound and then practise writing the letter. They will also have a number activity and practise number writing. Homework will be given out on a Monday and taken in on a Friday.

REMINDERS...

- Please remember to send your child to school with a sun hat every day. We do spend a lot of time outdoors so it is important they keep their faces out of the strong sunshine.
- Please help by taking out earrings on PE days
- Please bring book bags to school every day

Please
hear
your
child
read
their
sounds
every
day

ICT

Just a reminder to parent helpers of this half-term's computer suite sessions:

Tuesday am 10.15 - 11.00

Wednesday pm 1:00 - 1.45
