Birthdays

-Hunter is turning 3 on April 29th.
Happy birthday Hunter!

Reminders

Please remember to pack plenty of water for your child as the weather starts to heat up!
Thanks.

April

March's Theme

The children thoroughly enjoyed the topic on "Our Senses". They had many opportunities to experiment with and explore their various senses. They made 'feely paint' and "smelly flowers". We tasted the difference between salty, sweet and sour with our "tasty fingers" experiment and created fun musical maracas!

The children also had many opportunities to experiment with colors and participate in many creative projects which incorporated using all the senses.

April's Theme

Our focus for the month of April will be on Weather. The children will have a chance to learn about various climates and explore topics on rainbows, wind, clouds and seasons. If you have any related materials at home that we could borrow such as: books, games etc. Please bring them in. Thanks!

Many thanks

We had such a successful and rewarding second term! Stephanie and I are really looking forward to another great term with your children. We also want to extend a big thank you to those parents who helped with the Easter egg hunt and provided yummy treats! The kids loved it!
