January

January's Theme...Fun with Animals

Welcome back!

This month we will be discussing all sorts of Animals. Our group activities will focus on identifying, sorting, and classifying many types of farm animals, pet animals, sea animals and zoo animals.

New Faces

I'd like to take this opportunity to welcome Miss Stephanie Ryan to our preschool room.

Stephanie has been a teacher's assistant at the British School in Riyadh, Saudi Arabia since her graduation last year. Nichola, Stephanie's mum, is also teaching Grade 1 at the school this term so I'd like to extend a warm welcome to them both.

With Stephanie's arrival we have been able to extend the preschool program's enrollment so I'd also like to welcome all the new children along with their families to our program and Provo Primary School.

This and that....

We will have a donation box out this Friday, Jan. 7, to collect donations for the Tsunami disaster relief fund. We will be sending the money to the Canadian Red Cross as the Canadian Gov. is matching all donations made before Jan.11.

Preschool Handbook

You can refer to the Preschool Handbook for general information and most guidelines of the program. I've had a few inquires about the section on illness, so if in doubt, please check this detailed section and remember to keep your preschooler at home if he/she has any of the symptoms outlined. We want to take every precaution to provide a healthy environment to all the children.
