Tuesday 6 th September:	First term begins.

Talent show

Many of the children have begun practising for this year's talent show and what I have seen and heard so far shows great promise! Please encourage your children to participate in the show and let me know if you would like to perform anything also. Forms are available in the office and must be completed by June 15th at the latest in order to participate in the show.

There will be an admission fee of \$4 and refreshments will be on sale. Funds from admission will help offset stage construction costs. Funds from the refreshment stand will go towards PTA fundraising.

Data projector

Thank you to Mark Pankhurst for loaning us his data projector once more. We would also like to thank all the parents and children who supported the recent dress down days and those individuals who

have purchased medical insurance through . Thank you also to the anonymous parent who donated \$200. The total raised currently stands at \$460. (A data projector costs around \$1600 so we are a quarter of our way there!)

Teaching staff

It is with sadness that we say goodbye to some of our teachers this year. Ms. Alex, who is off to have a baby. We wish her and her family all the best. Miss Stephanie will be continuing her studies in The UK. Ms. Evie Ann will be leaving to continue her Masters degree in Florida and Miss Lara will be returning to Canada. I have no doubt that we will see these teachers again although they will definitely be missed from the school. I'd like to say a personal thank-you to them for all their hard work over the period of time that they have been at the school. I would also like to thank all the other teachers for their dedication, commitment and hard work over the last year/s. Ms. Myrna will be replacing Evie Ann and taking on the role as preschool and pre-kindergarten coordinator, a well deserved promotion. We look forward to welcoming our new teachers and assistant teachers in September, two of whom will be arriving on the island in July. You will have the opportunity of meeting them all prior to the new term in September.

To Miss Bonnie for volunteering her time at the school for the month of June.

To Mr. Joel for assisting with swimming for the month of June.

To the Karam family for offering us use of their pool for our beginner swimmers .

To Sharon Fletcher and Joanne Karam for assisting Mr. Michael with the Grade 5 and 6 class trip to England

To Charlotte Darcy for donating a printer to the school.

To the PTA for all their fundraising efforts and activities throughout the year.

To all parents who have assisted and supported us throughout the past year.
