

Preschool Newsletter

Important Dates

- Mid-term is on May 12th-
May 15th.
- Mother's Day is Sunday
May 8th.
- National Hero's day is on
Monday May 30th.

Reminders

- Please remember to pack
a healthy snack for your
child. Fruit, cheese and
crackers, yogurt etc. are
all healthy choices.

April's Theme

The children thoroughly enjoyed our topic on Weather. They had plenty of opportunities to participate in fun creative projects while learning about the different features of rainbows, wind, rain, clouds and other types of weather.

The children also had fun learning to sing a weather song called "What's the weather like today?"

May's Theme

Our focus for the month of May will be on **Shapes**. The children will have a chance to learn about various characteristics of some basic shapes and explore a wide range of creative activities incorporating shapes.

Many thanks

Miss Stephanie and I felt thoroughly spoiled this week by all of you and really wanted all the preschool parents to know how much we appreciated the special treats! Thanks again!
